Brief Report

A visit to Swapnakund Waterfall, situated in Karuvarakundu Panchayath, was organized on 06.02.2025, with the objective of providing students an opportunity to connect with nature, appreciate ecological beauty, and understand the significance of water bodies in sustaining biodiversity. A total of 19 students participated in the trip, which aimed to enhance environmental awareness, promote outdoor learning, and foster teamwork through experiential engagement. The visit allowed students to observe the natural ecosystem firsthand, reinforcing the importance of water conservation and ecological balance. The trip was both educational and refreshing, leaving participants with a deeper appreciation for nature and sustainable environmental practices.
