Planned Date: 19-03-2025	Renewed date: -	Program Date: 19-03-2025
Budgeted Amount: Rs 500/-	Total expenditure: Rs 500/-	Balance: Rs 0/-

Brief Report

The event was inaugurated by **Shri Stanley**, who emphasized the importance of maintaining coastal ecosystems and reducing plastic waste. **Shri B. Anil** addressed the students, highlighting the alarming impacts of plastic pollution on marine life and human health. His speech inspired students to adopt sustainable practices and actively contribute to environmental conservation.

With great enthusiasm and dedication, students participated in the cleanup, removing plastic waste, discarded fishing nets, and other pollutants from the beach. The initiative not only enhanced the aesthetic value of the coastline but also fostered environmental responsibility among participants. The collected waste was categorized and disposed of responsibly, ensuring minimal environmental impact.

This initiative served as a **powerful awareness campaign**, encouraging students and the local community to take proactive measures in protecting marine ecosystems. The organizing teams expressed their gratitude to all participants and reaffirmed their commitment to conducting similar conservation drives in the future.
