Brief Report

The OZONE DAY was observed in our school . The day began with a special assembly . A pledge was taken on the importance of protecting our environment and also our ozone layer. A rally was conducted by the Bhoomithra Sena members .Slogans in placards spread to the public the need to protect our OZONE LAYER.

After the rally a class was taken by Mr,Suraj .S. Forest Officer on the topic : 'Afforestation and its impact on climate changes and the ozone layer.

The class was highly useful and informative to the students.
