Brief Report

As part of our continued efforts to promote sustainability, environmental awareness, and student involvement in campus beautification, the college is pleased to host a **Marigold Gardening Activity** on the campus grounds.Marigold is chosen for its vibrant color, easy cultivation, and ecological benefits. Known for its natural pest-repelling properties and cultural significance, the marigold is a symbol of brightness, positivity, and renewal values we cherish in our college community.This initiative is aimed at:

- Enhancing the aesthetic appeal of our campus
- Creating awareness about eco-friendly gardening practices
- Encouraging teamwork and a hands-on understanding of plant care
- Fostering a deeper connection between students and nature.
