Organized by: Bhoomitra Sena Club & Skill Development Centre

Institution: Deva Matha College, Kuravilangad

Date: 17th March 2025

Venue: Skill Development Centre, Deva Matha College Kuravilangad

Number of Participants: 100

1. Introduction

To foster a culture of sustainability and empower individuals with practical, eco-conscious skills, a one-day hands-on workshop on **Cloth Bag and Jute File Making** was conducted on **17th March 2025**. This initiative was **jointly organized by Bhoomitra Sena Club the Skill Development Centre** of **Deva Matha College, Kuravilangad**. The event aligned with the college's mission to promote environmental awareness and skill development among students and faculty.

2. Significance of Bhoomitra Sena Club

The **Bhoomitra Sena Club**, a vibrant environmental wing of Deva Matha College, played a **pivotal role** in conceptualizing and co-organizing the workshop. With its ongoing mission to nurture environmental responsibility and encourage sustainable practices within the campus and community, the club has been at the forefront of promoting green initiatives.

In this workshop, the club:

- Mobilized student volunteers and participants
- Spread awareness about eco-friendly alternatives to plastic
- Provided educational materials on sustainability
- Promoted the event as a part of its larger environmental action plan

Their leadership and active involvement ensured that the workshop not only provided a skill-building platform but also reinforced the importance of **environmental stewardship and community engagement**.

3. Objectives of the Workshop

- To promote **eco-friendly alternatives** to plastic among the college community
- To impart **hands-on skills** in the making of cloth bags and jute files
- To foster **creative expression and self-reliance**
- To support the institution's ongoing efforts in **environmental sustainability and education**

4. Participation

The workshop received an overwhelming response, with **100 participants**, including students, faculty members, and eco-conscious volunteers. The collaborative learning environment created a space for both skill enhancement and meaningful discussion around sustainability.

5. Workshop Activities

The workshop featured:

- **Live demonstrations** of cloth bag and jute file making
- **Hands-on sessions** with individual guidance from trainers
- **Interactive discussions** on sustainable living
