Brief Report

An Awareness Talk on Ozone Depletion was organized on 16th September 2025 as part of the World Ozone Day celebrations at Bafakhy Yatheem Khana B.Ed. Training College, Kalpakanchery. The session was led by Ms. Nimsiya and Ms. Sanadhayini, BMC and Science Club members. They elaborated on the causes, effects, and preventive measures of ozone layer depletion. They also highlighted various global environmental initiatives and emphasized the importance of individual responsibility in protecting the environment. The presentation was supported by well-structured PowerPoint slides, which enhanced clarity and understanding of the topic. The session was informative and interactive, enabling students to clarify their doubts and actively engage in discussion. The program significantly contributed to strengthening environmental awareness and scientific temperament among the participants.
