Brief Report

A one-day camp was held at the Malabar Botanical Garden for BMC members on 5th February 2025. Dr. Abdul Gafoor P, Faculty in Charge, and 30 members of the Bboomithrasena Club participated in the camp. The event provided hands-on experience with plants, and the garden authorities arranged for a guide to accompany our team. The members had the opportunity to learn about the names and features of various plants conserved at the garden. We also had lunch at the garden's canteen. The camp began at 10 a.m. and concluded at 4 p.m.
