Brief Report

The “Know Your Trees” programme was organized on the college campus with the objective of creating awareness about tree diversity and environmental conservation through the use of QR codes. The programme was inaugurated by the Devikulam MLA and was graced by the participation of members of the Kanthalloor Panchayat and Forest Department officers. QR codes were assigned to selected trees, providing easy access to scientific and ecological information and encouraging interactive learning among students and visitors. The programme successfully promoted environmental awareness, digital learning, and community involvement.
