Brief Report

Report on World Environment Day Celebration

Organized by: Bhoomithrasena Club, Sir Syed College, Taliparamba

Date: 5th June 2025

Venue: Seminar Hall, Sir Syed College

The **Bhoomithrasena Club**, in association with the **Department of Forestry** and the **Department of Botany**, celebrated *World Environment Day* on **5th June 2025** at the Seminar Hall of Sir Syed College, Taliparamba. The program aligned with the global theme *"Beat Plastic Pollution"* and aimed to spread awareness on environmental protection and sustainable waste management.

The event was organized in collaboration with the **Kerala Solid Waste Management Project (KSWMP)**, **DPMU Kannur**, **District Suchitwa Mission**, Kannur, and the **Tropical Biodiversity Action & Research Center (TBARC)**.

Programme Overview

1. **Inaugural Session**
2. The programme commenced at 10:00 a.m. with a welcome note and introductory remarks highlighting the significance of *World Environment Day*.
3. **First Session – World Environment Day Talk**
4. *Topic:* **"Breaking free from plastic and preserving the tropical paradise"**
5. *Resource Person:* **Zakiya P. C.**, Environment Officer, KSWMP, Kannur.
6. The talk focused on the harmful impacts of plastic pollution and emphasized practical steps towards reducing single-use plastic in daily life.
7. **Second Session – Environmental Awareness**
8. *Topic:* **"Sustainable Waste Management Practices"**
9. *Resource Person:* **Sujana M.**, Coordinator, TBARC.
10. The session covered waste segregation methods, composting techniques, and community-level waste reduction strategies.

Highlights

- Informative and interactive sessions with active student participation.
- Discussions on local environmental challenges and possible community solutions.
- Reinforcement of the need for individual responsibility in tackling plastic pollution.

Outcome

The celebration enhanced students' awareness of plastic pollution and waste management, encouraging them to adopt sustainable practices in their daily lives. The collaboration between academic departments, environmental organizations, and local government bodies ensured that the message reached a broader audience.
