Brief Report

A total of 35 students hailing from various regions of the country took part in an exciting photography and poster-making competition, showcasing their creative talents and perspectives.

In the poster-making category, Celestina Joseph, a dedicated student from the II BSc Biotechnology program, achieved remarkable success by clinching the first prize. Her innovative design and compelling message captivated the judges, highlighting her artistic skills and understanding of the subject matter. Following closely behind, Krishnendhu TA, a talented participant from the I BSc Biotechnology program, earned the second prize with his imaginative approach and well-executed presentation.

In the photography competition, Erik Salil, a passionate I BSc Psychology student, emerged victorious by winning the first prize. Overall, the event was a fantastic platform for students to express their creativity and connect with peers, celebrating their achievements in the arts.
