Brief Report

Bhoomithrasena Club Members organized an awareness program to commemorate World Environment Health Day. The unit conducted a role-play competition to engage students and promote awareness about environmental health issues.

Many students enthusiastically participated in the competition, showcasing their creativity and talent through thought-provoking skits and performances. The role-plays highlighted various aspects of environmental health, including pollution, conservation, and sustainability.Through this initiative, club got golden chance to educate students about the significance of environmental health and encourage them to adopt eco-friendly practices in their daily lives.
