Brief Report

The Bhoomithrasena Club organized a "Clean Campus Drive" focusing on the backyard area of Rouzathul Uloom Arabic College. This initiative demonstrated the club's commitment to environmental stewardship and campus beautification.

The clean-up was carried out by Bhoomithrasena Club members at the Surayya Squire backyard area of the campus.

Activities Conducted

1. **Site Assessment**: Identifying priority areas and planning the clean-up approach
2. **Clean-up Operations**:

- Removal of fallen leaves and branches
- Raking and gathering organic waste
- Ground preparation for potential future programs

The cleaning was performed using traditional bamboo brooms and basic gardening tools. Students worked in coordinated teams, systematically progressing through the area while maintaining proper waste collection protocols.

The initiative successfully transformed a neglected area into a cleaner space while providing valuable environmental stewardship experience to participants. This activity demonstrates the impact of student-led initiatives in creating sustainable campus environments.

The Bhoomithrasena Club extends its gratitude to the college administration and all participants for their support and hard work in making the Clean Campus Drive successful.
