Brief Report

Thengu Krishi is an initiative to promote sustainable coconut cultivation and raise awareness about the ecological, economic, and nutritional benefits of coconut trees. Tapioca Farming is an initiative to promote sustainable farming practices, hands-on agricultural learning, and student participation in eco-friendly cultivation. Sugarcane cultivation as a means to enhance greenery, provide hands-on agricultural training, and encourage eco-friendly farming practices. Bottle Palm is a fast-growing, air-purifying, and aesthetically pleasing palm species that adds a tropical charm to any landscape. Practical exposure enhanced students' skills in soil preparation, planting, and crop care.
