Brief Report

As part of the observance of **World Ozone Day**, a Poster Making Programme was organized on 16th September 2025 at Bafakhy Yatheem Khana B.Ed. Training College, Kalpakanchery. The program aimed to create environmental awareness among student teachers through creative expression.

The participants prepared posters highlighting themes such as ozone layer protection, prevention of ozone depletion, environmental sustainability, and conservation of natural resources. The activity provided a platform for students to visually communicate scientific concepts related to environmental protection. The posters reflected creativity, critical thinking, and environmental concern. A total of 50 students and 4 faculty members participated in the program. The prepared posters were exhibited on the college campus to inculcate environmental protection awareness among viewers and promote ecological responsibility within the institution.
