ProgrameTitle: **Forest Immersion: Nedumkayam Wilderness Experience**

Program Category: **Programmes Conducted in Other Institutions/Region**	Activity Type: **Awarness Program**	No.of participants: **30**
Planned Date: **21-02-2025**	Renewed date: **-**	Program Date: **22-02-2025**
Budgeted Amount: **Rs 20000/-**	Total expenditure: **Rs 24883/-**	Extra Amount: **Rs 4883/-**

Brief Report

The Bhoomithrasena Club of Rouzathul Uloom Arabic College successfully organized a two-day residential natural study camp at Nedumkayam Forest, Nilambur on January 21-22, 2025. The camp was designed to provide students with immersive learning experiences about forest ecosystems, wildlife conservation, and environmental protection through direct interaction with forest environments and guidance from forest department officials.

Participants

The camp was attended by:

• *30 student members of the Bhoomithrasena Club*

• *Mr. Shabi Suhail (Co-Faculty in Charge, Bhoomithrasena Club)*

• *Mr. Shareef K (College Librarian)*

• *Ms. Rubeena (IT in-charge)*

Forest Department Officials

The camp received valuable support and expertise from the Kerala Forest Department officials:

• Mr. Daniklal (Divisional Forest Officer) - Camp Inaugurator

• Mr. Riyad (Section Forest Officer) - Camp Coordinator from the Forest Department

The camp was formally inaugurated by Mr. Daniklal, Divisional Forest Officer, who highlighted the ecological significance of Nedumkayam Forest and emphasized the importance of youth involvement in conservation efforts. In his inaugural address, he commended the Bhoomithrasena Club for organizing educational initiatives that connect students with nature and foster environmental stewardship.

Learning Activities

Nature Conservation Sessions

Forest officials conducted in-depth sessions on various aspects of nature preservation, covering topics such as:

• Biodiversity conservation strategies

• Forest fire prevention and management

• Impact of human activities on forest ecosystems

• Sustainable forest management practices

• Role of indigenous communities in forest conservation

River Water Conservation

• The watershed ecosystem of Nilambur forests

• Threats to river systems from pollution and encroachment

• Water conservation techniques and their implementation

• The importance of riparian ecosystems

• Community-based water conservation initiatives

Wildlife Study

• Identification of animal species and their habitat requirements

• Animal behavior and adaptation strategies

• Human-wildlife conflict mitigation

• Wildlife census methodologies

• Conservation status of various species found in the region

Forest Ecology

• Guided nature walks identifying various plant species

• Discussion on forest stratification and ecological niches

• Hands-on study of soil composition and forest floor ecology

Expenditure Statement

Item	Expenditure	Remarks
Transportation	Rs 2624	
Refrreshment	Rs 800	
Lunch	Rs 2000	
Camp Reg. fee	Rs 13125	
Refreshments	Rs 310	
Bus	Rs 3800	Rental for 2 days
Transportation	Rs 2224	Back to college
Budgeted Amount		**Rs 20000**
Total Expenditure		**Rs 24883**
Extra Amount		**Rs 4883**
