Brief Report

The objective of the **World Environment Day Observance** was to create awareness among students about environmental protection, sustainability, and the need to conserve natural resources. The programme aimed to sensitise students to current environmental concerns and to promote responsible environmental behaviour.

Outcome

- Students gained awareness about key environmental issues and the importance of sustainable practices.
- The programme encouraged students to adopt eco-friendly habits in their daily lives.
- Participants developed a sense of responsibility towards environmental conservation.
- The activity contributed to the overall social and environmental consciousness of students.
