## Brief Report

**The** B**hoomitra Sena Club** of our college in association with **Directorate of Environment and Climate change , Government of Kerala** organized activities such as student seminar, expert talk and poster competition as part of world wetland day . The activities were conducted on different days due to the inconvenience of resource persons and the university examinations for the members.

World wetland day was celebrated in the college with student seminars on various aspects of wetlands . The student seminar was conducted on 17.02.2025 at 11.30am. The first year student members organized the seminar on the topic on ' Wetlands where Nature Magic meets Water'.

The seminar total 26 students presented and prepared various aspects of wetlands. The seminar discussed the present status of wetlands in Kerala, India, world and the measures to preserve the wetland ecosystem from pollution etc. the seminar helps to understand the significance of wetlands in daily life and aware about the need to preserve them. The program ended at 12.45PM. The program was coordinated by Student coordinators Kumary Arya and Deva Nandana of First year Zoology. The students and faculty members from various departments attended the session. The seminar helps to mine data, enrich the knowledge level of students on the specific environmentally significant day. The feed back from students revealed that the opportunity to express and advocate the global issues in their own level. Moreover the seminar help to build confidence among students how to organize and execute an activity .
