Brief Report

The Bhoomitra Sena Club of our college organized an enriching field visit to Trivandrum Zoo, providing students with a unique opportunity to explore wildlife conservation efforts and biodiversity. The visit aimed to enhance environmental awareness by observing various species of animals, birds, and reptiles in their carefully maintained habitats. Club members gained valuable insights into the importance of wildlife protection, the role of zoos in conservation, and the need for habitat preservation. Interacting with zoo officials and learning about conservation programs further deepened their understanding of ecological balance and sustainability. The visit inspired students to take an active role in environmental protection and reaffirmed their commitment to biodiversity conservation.
